Cedar Ridge Community Church  
2410 Spencerville Rd

Ben Spencer was wrongly convicted of a 1987 murder in Dallas, Texas. No physical evidence connected Ben to the crime, and he had an alibi for the time of the murder. Yet, due to shoddy police work and witnesses who lied to get reward money, he was convicted of murder and spent 34 years in prison. Former NPR correspondent and best-selling author, Barbara Bradley Hagerty tells Ben's gut-wrenching story, and describes the myriad flaws in our criminal justice system.
